

## Across The Universe – The Beatles

Words are flowing out like endless rain into a paper cup  
They slither wildly as they slip away across the universe  
Pools of sorrow, waves of joy are drifting through my open  
mind

Possessing and caressing me

[Chorus]

Jai Guru Deva, om

Nothing's going to change my world

Nothing's going to change my world

Nothing's going to change my world

Nothing's going to change my world

Images of broken light which dance before me like a million  
eyes

They call me on and on across the universe

Thoughts meander like a restless wind inside a letter box

They tumble blindly as they make their way across the  
universe

[Chorus]

Jai Guru Deva, om

Nothing's going to change my world

Nothing's going to change my world

Nothing's going to change my world

Nothing's going to change my world

Sounds of laughter shades of life are ringing through my  
open ears  
Inciting and inviting me  
Limitless undying love which shines around me like a million  
suns  
It calls me on and on, across the universe

[Chorus]

Jai Guru Deva, om  
Nothing's going to change my world  
Nothing's going to change my world  
Nothing's going to change my world  
Nothing's going to change my world

Jai Guru Deva  
Jai Guru Deva  
Jai Guru Deva  
Jai Guru Deva  
Jai Guru Deva...
